

Caillou's Not Too Fishy Father's Day Activity

Caillou loves going fishing with his Dad and Grandpa in his new book *Caillou Gone Fishing!* Now your preschooler can join the fun with this adorable fishing rod craft, just in time for Father's Day!

What You'll Need:

- Construction paper
- Piece of Cardboard
- Glue and/or Tape
- Yarn or piece of string
- Crayons, Markers, stickers, etc. to decorate Fish & rod

Directions:

Step 1: Print out activity and help your child cut out each of the shapes.

Step 2: Trace the fishing rod shape on the piece of cardboard as well as construction paper and cut them out.

Step 3: Trace fish & circle template onto construction paper. We fish twice – one for decorating and one for message.

Step 4: Glue (or tape) the construction paper rod onto the cardboard. You should also glue circle piece of construction paper midway through rod to represent the fishing reel.

Step 5: Help your little one write a message on fish and decorate fish & rod using crayons, markers & stickers. Don't forget to draw an eye and mouth for the fish!

Step 6: Once dry, tape one side of piece of yarn to the back of the fish and the other side to the back end of the fishing pole.

Step 7: Your Fishing Rod is now complete! Put away to keep it safe for Father's Day!
